PART-IIA

GOVERNMENT OF MEGHALAYA

NOTIFICATIONS

The 9th March, 2018.

No.RDG.87/92/Pt.II/486. - In supersession of notification No.RDG.87/92/Pt/28, dated 30th October, 1995, the Governor of Meghalaya is pleased to make the following rules in connection with the Training of Officers in Survey and Settlement, namely:-

1. These rules shall be called the Rules for Training of Officers in Survey and Settlement, 2016.
2. These rules shall come into force with immediate effect.
3. These rules shall apply to the members of Meghalaya Civil Service (MCS) and Meghalaya Police Service (MPS).
4. The Course of Training is divided into two parts, viz:-
 - (A) Survey, and
 - (B) Land Records and Settlement.
5. The period of training for MCS/MPS Officers will be for 12 (twelve) days, out of which 10 (ten) days will be for Survey and 2 (two) days for Land Records and Settlement.

Provided that Officers, other than MCS/MPS Officers deputed by the Government of Meghalaya will undergo a 45 (forty five) days course, out of which 40 (forty) days will be survey and 5 (five) days for Land Records and Settlement.
6. The Officers will be under the administrative control of the Director of Land Records and Surveys during the period of training.
7. The Director of Land Records and Surveys will arrange for training of the Officers once or as many times in a calendar year as may be necessary and in such place (places) as may be determined by him and will make detailed programme for the conduct of the training classes.

8. (A) The curriculum will be as prescribed in Annexure-A and the examination will be conducted in the manner as indicated in Annexure-B for MCS/MPS Officers.
(B) The curriculum for Officers other than MCS/MPS Officers will be as prescribed in Annexure-C and the examination will be conducted in the manner as indicated in Annexure-D.
9. The Revenue and Disaster Management Department may modify the curriculum and the system of examination from time to time in consultation with Personnel Department.
10. The Director of Land Records and Surveys shall after the examination, submit a report on each Officer to the Government of Meghalaya in the Revenue and Disaster Management Department.
11. An Officer shall not be deemed to have been declared passes in Survey and Settlement Training unless the report submitted under Rule 9 certifies that the Officer is proficient.

Annexure 'A'

The course will include lectures on the basic concept of Land Survey and use of the different modern technology and instruments, such as to give the Officers a practical acquaintance with the System of Survey in Meghalaya.

The syllabus of the course are as follows :-

Topics	Contents	Duration
(a) Basic Surveying Concepts.	Fundamentals of surveys, types of survey, slope/horizontal distance, latitude, longitude & height of places, area & distance extraction from maps, area conversion, type of survey instruments, accuracy of maps, map reading, scale & sketch maps and type of scales.	Lecture = 1 day
(a) Cadastral survey and cadastral maps.	Definitions, map and land records, benefits of cadastral maps, symbology, demarcation of boundary, scanning and digitization of cadastral maps.	Lecture = 1 day
(b) Global Navigation Satellite System (GNSS) and Handheld GPS.	GNSS Fundamentals, space segment, ground segment and user segment, surveying techniques, operating producers, datum, coordinates system, accuracy and sources of errors, processing of data, provision of ground control points, operation of hand held GPS.	Lecture = ½ day Practical = 1½ day
(c) Electronic Total Station (ETS).	Introduction, principle, application, operating procedure, accuracy and source of errors, precautions, advantage and disadvantage, details survey, field data processing and preparation of maps.	Lecture = ½ day Practical = 2½ days
